

# Meadowlark Hearth

## **LOCAL PRODUCTS and SERVICES:**

**Our land is certified organic so all of our vegetables, hay and pastures are cultivated to the best of our ability without the use of synthetically made chemicals or without genetically Manipulated crops.**

## **Options to join in receiving our products are:**

- 1. Community supported agriculture, during summer receiving vegetables each week or throughout the rest of the autumn and winter every other week. All vegetables are grown on our farm. By joining our farm you are truly supporting the community here in the valley.**
- 2. USDA certified butcher, Grass fed and grass finished beef from our certified organic farm: wholes, halves and quarters....usually harvested from mid- summer to late autumn**

3. **USDA certified Pork, fed milk, certified organic grain, pasture and vegetables: currently sales by piece direct from the farm, in future may have wholes and halves.**
4. **Milk: direct farm sales only, must bring own clean bottles, contact us for specifics on how to obtain it at our farm.**
5. **Educational classes about seed, gardening, organic farming, processing vegetables and grains through the Living Environment Foundation a 501c3: contact us for more information or to make a donation.**
